- Monthly call with a focus on unique needs/challenges of long term care facility settings in regards to antimicrobial stewardship and infection control.
- IPs, Pharmacists, DONs, Physicians, all leaders of ASPs and infection control programs are welcome!
- Discuss barriers and solutions, report relevant state-wide data, foster a sense of community among LTCF stewardship/infection control leaders, updates on clusters/outbreaks.

To be added to the contact list, suggest a topic or volunteer to lead a discussion, please contact [Cullen.Adre@tn.gov](mailto:Cullen.Adre@tn.gov) or [Vicky.Reed@tn.gov](mailto:Vicky.Reed@tn.gov).
