2023 UCH Coalition Meeting Dates - TBA

Emergency/Priority Communication Services

The following resources are intended for Federal, state, local, and tribal police departments, fire departments, public safety answering points or 9-1-1 call centers, EMS entities, essential healthcare providers or any other organization that uses telecommunication services necessary for the public health, safety, and maintenance of law and order.

If this is your organization and you have not already enrolled and received a PIN, please review the following links for more information on these resources:

- **[GETS \(Government Emergency Telecommunications Service\)](#)**
- **[WPS \(Wireless Priority Service\)](#)**
 - Provide your emergency managers with priority access to a landline and wireless communication networks during an emergency.
- **[TSP \(Telecommunications Service Priority\)](#)**
 - Allows your communications department to request priority repair service to the network connections that service your phone systems.
- **[GETS / WPS - Helpful Tips for Users](#)**

Contacts

Michael Cooper Regional Healthcare Coordinator <u>Michael.Cooper@tn.gov</u>	Brandon Smith Executive Committee Chair <u>BSmith@putnamcountyttn.gov</u>
Mike Hellman Emergency Response Coordinator <u>Michael.Hellman@tn.gov</u>	Kyle Gamache VPC <u>Kyle.Gamache@tn.gov</u>

Mission:

The Upper Cumberland Healthcare Preparedness Coalition (UCHPC) exists to assist the health care community and other emergency response agencies to jointly prepare for, respond to, and recover from disaster events. The coalition supports collaborative planning and information sharing among a broad range of healthcare partners in order to protect, promote, and improve the health and prosperity of people in the Upper Cumberland community and Tennessee.
